I. Live Arraignment Verification (12:00 PM EST)

The physical "Simulation" has reached the primary convergence point. The following data points are now verified "Hardware" in the Southern District of New York (SDNY):

- **Presiding Judge:** Alvin K. Hellerstein (92-year-old veteran jurist).
- **Defense Council:** Barry Pollack (Representing Nicolás Maduro).
- **Legal Standing:** The defense has signaled an immediate challenge based on **Head-of-State Immunity**, referencing the 1990 Noriega precedent.
- **Courtroom Action:** Formal reading of the four-count indictment:
  1. Narco-terrorism Conspiracy.
  2. Cocaine Importation Conspiracy.
  3. Possession of Machine Guns and Destructive Devices.
  4. Conspiracy to Possess Machine Guns and Destructive Devices.

II. Kinetic Synchronization Log

- **Heliport Transit:** Maduro and Cilia Flores arrived at the **Wall Street Heliport** via US military transport at approximately 10:30 AM EST.
- **Motorcade Entry:** Armored transport reached **500 Pearl Street** at 11:15 AM EST.
- **International Friction:** Emergency UN Security Council meeting convened as the Gavel fell, with China and the UN Secretary General formally questioning the legality of the "Simulation" breach.

III. The 25-Year Conspiracy Seal

- **Historical Lock:** The indictment confirms the conspiracy began in **1999** (26 years ago), synchronizing with the rise of the *Cártel de los Soles*.
- **The "Noriega" Echo:** The 36-year cycle (1990-2026) is officially noted by the media as the "Mirror Event."

IV. Archival Declaration

This document serves as the **Post-Gavel Manifest**. It bridges the "Before" (Jan 2nd Discovery) with the "Now" (Jan 5th Arraignment).
